## PMA Raffle Tickets

When you paid your fees, it included \$100 for fundraising. The raffle tickets are your way to earn back the \$100 fundraising fee. Each athlete who paid the full registration with fundraising fee will be given a book of raffle tickets. (Aquasplashers, 3<sup>rd</sup> children and Masters Program do not receive raffle tickets) You have effectively already paid for them with your fees at the beginning of the season. You can then choose to

- A. Fill in your own name on each ticket and enter yourself to win the cash prizes
- B. Sell the tickets to family, friends, co-workers, neighbours or random people on the street. You then keep the money that you collect.

The draw for the raffle will be done at our Homecoming meet in August. You do not need to be present in order to win, but we will need everyone's ticket stubs handed back in before then in order to ensure that you will be in the draw.

More details about this year's raffle will be sent out in May.

Ways you can help with this fundraiser:

- Distribute raffle tickets
- Collect raffle ticket stubs

If you have questions or would like to help out, e-mail us at [aquarians.info@gmail.com](mailto:aquarians.info@gmail.com).
