

Slinger Steps Down as President

The Port Moody Aquarians (PMA) Swim club would like to thank Mike Slinger for his dedication and contributions to the PMA program in his role as President of the club. As of May 3rd, Mike has officially stepped down as President of the PMA executive and will continue with the club as Past President in addition to his role as Regional Treasurer. (more) The responsibilities of the president will now be shared between Gary Kern (Vice President), James Palmer (Meet Director) and Peggi Peacock (Communications Director).

At this time it is also appropriate to acknowledge the many years of service from Dave Bassett. Dave has been involved with PMA for over a decade as he has seen his children progress through the club. Dave has been a strong advocate for PMA and the BCSSA and has worked tirelessly on the front lines and behind the scenes to ensure funding and support for our club. He will be continuing in his role as Regional Water Polo Director. Thanks for all your work Dave!
